

Bulletin No: TB-09-2020	Date: 31/07/2020		
Title: OdaDisk & Accessories			
Product: PROD0286, PROD0285 & PROD0284	Author: Mark MacCabe		
Importance: High	Affected Departments:	<i>Design</i>	-
		<i>Production</i>	-
		<i>Service</i>	✓
		<i>Marketing</i>	✓

Issue

The following DGS Products/Accessories are no longer available from, or supported by Thermo-Fisher, the Manufacturer.

PROD0286 - ODADISK KIT (with charger + user guide + charger base + power supply + case)

PROD0285 - AMT ODADISK LEATHER CASE (including straps)

PROD0284 - AMT ODADISK USB TO IrDA ADAPTOR (including driver CD)

Corrective Actions

Wabtec have a functional replacement in PROD0860-M - MASS STORAGE DEVICES WITH MILITARY CONNECTOR AND USB ADAPTOR CABLES.

This device is only suitable/compatible with the IECEx approved PROD0896 - DGS U/H COMPUTER (TOUCHSCREEN) IECEx - BASE MODEL.

Wabtec do offer an upgrade of existing system and this includes SERV0031 - IECEx DGS UPGRADE WITH AS3800 OVERHAUL which provides access to and includes 2 x PROD0860-M - MASS STORAGE DEVICES WITH MILITARY CONNECTOR AND USB ADAPTOR CABLES.

Customer Impact

Directional Drilling Survey Data, Software Updates and other Data needs to be downloaded or uploaded to or from the DGS Uphole Units for use by Drilling Operators, Mine Management and other users of this Data.
